“ I remember when I first met Ryan it was my first time arriving at Pete’s Eastlake Tavern and he was outside in the front smoking a cigarette and greeted me telling me that I smelled good and asked me what my name was and I found out that he was deaf not knowing that I would ever be able to use my sign language skills again and just had the best conversation with him and him telling me nothing but positive things as he was a positive man a kind hearted man and a good true friend I will always always remember that within Ryan.I hope you’re up there jammin to every song ever made! God bless you

“ *Ryan and my brother Gary were friends since childhood. So I have known him a very long time. He always came by to visit my Mother before she passed and was even in the same rehab as she was in willoughby. My heart aches for his passing. May he rest in eternal peace. My deepest sympathy to his friends and family 🙏*
