“ My deepest sympathy to Sandi's family. I met Sandi at a Relay For Life meeting last year, at which she spoke about her ongoing battle with cancer. She was so courageous and had such an uplifting attitude. All of us involved with Relay For Life Lake County will miss her so much.

“ I remember pushing Sandi in a metro park after her big surgery. I stopped to take a breath. To my right was a ravine and to my left was a big long snake stretched underneath a park bench. I said, “Look under the park bench”. Sandi turned and said, “You should probably run but please don’t leave me”. I told her to take off the break and we continued our journey just a little quicker than we started. #thatdaywasaworkout
