“ WISH I COULD SEE YOUR DREAMS

*Wish I could see your dreams  
Wish I could read your mind  
I can't even imagine  
Being so lost in time*

*Seems like you're awake  
Seems like you're asleep  
Drifting in a no man's land  
Far beyond my reach*

*The weight of your whole world  
On my shoulders lay  
How could this be His will for you  
Suffering in this way*

*Please, Lord, I beg of You  
Cease her lingering in the dark  
I'm not losing her just once  
But, it's twice, we must part*

*Wish I could ease your mind  
Give you new dreams to dream  
And lovingly care for you  
As you had done for me*

*This was always God's plan  
For you and I, He always knew  
Someday, you would need me  
As much as I needed you*

*I began as your daughter  
My life purpose unclear  
Until our roles were reversed  
Throughout these five years*

*A squeaky smooch joined "I love you"  
As I hugged you each night  
"See you in the morning,  
Love you too", you smiled  
And the world seemed just right*

*I'll see you in my dreams  
On my mind, you'll forever be  
For my heart will never forget  
The bond we shared endlessly*

*There will be days full of sorrow  
Sleepless nights, at what cost  
For, you see, my dear mother  
It is I, who is now lost*

**LOVE YOU FOREVER WITH ALL MY HEART.  
YOUR DAUGHTER, SUSIE**
