

Scott A. Francis

July 9, 1964 - April 5, 2026

Scott A. Francis, age 61, of Willoughby, passed away peacefully on April 5, 2026. Scott was a man of boundless energy, known for his creative soul, his dedication to service, and a lifestyle that truly "never stopped."

A proud Veteran of the U.S. Air Force, Scott carried his sense of duty and discipline throughout his life. He was a man of diverse talents who balanced two very different worlds: he was a compassionate massage therapist by day and an energetic DJ by night. He absolutely loved both vocations, finding joy in helping others heal and bringing people together through the power of music.

Scott's zest for life was evident in his many hobbies. He was an avid motorcyclist and loved the freedom of the open road. He was equally at home in nature, enjoying camping trips and cooking for those he loved. His creative side extended beyond music to the visual arts, as he was a talented artist who expressed himself through drawing. Those who knew him best will remember him as a man who always kept busy, constantly moving and creating.

Scott is survived by his beloved wife of 14 years, Leasa Baus, and his cherished children, Joshua Francis and Tessa Francis. He also leaves behind a community of many dear friends who, over the years, truly became his family.

He was preceded in death by his parents and his brother, Stephen Francis.

Visitation will be on Friday April 10, 2026 from 3pm-7pm at Monreal Srnick Funeral Home, 35400 Curtis Blvd, Eastlake, OH 44095. Service immediately to follow at 7pm at the funeral home.

In lieu of flowers, the family suggests that donations be made in Scott's honor to the Sub Zero Mission, an organization close to his heart that supports veterans and the homeless.

Scott's rhythm, creativity, and tireless spirit will be deeply missed by all who were lucky enough to know him.

“ *Leasa, there is so much Scottness in every thing, every thought, every wish around you~ it simply is...
So into the quiet moments we add this...
that you are in the best Stories. You are the person who gives freely of herself so his fun self could reach so many others. YOU are still the North Star that the night sky spins its dazzling dance around and around... the other stars are names in frames with co-ordinates to be legit.
Scott's lucky to have you still~*

Scott and I were friends for ten years and whether I saw him weekly or monthly as a massage therapist in was the best in the industry! Yet you not only would forget about your pain, you would gain knowledge to improve in life or laugh your butt off to distress! Yes he had a zest for life and it was contagious in a positive way. He will be missed so very much, but leaves a lasting impression on all of our minds and hearts. I only wish I had learned those great recipes he created. He spoke proudly of his wife Leasa and children, my condolences to them. Heaven is a very special place where his good works will continue 🙏
