“ whether it was on or off the softball field "lefty" was smiling. even when her and i would get behind a batter she still came strong with that smile of hers. i was very honored to be her catcher. i will never forget the signs that we had for the other teams in our league. my heart goes out to the family and to all of us friends. we have the BEST angel looking over all of us now. to our team: just remember she is there with us so play our best! i love you shannon and even though you are #7, you are #1 to me!

“ My Condolences, and heart go out to Shannon\'s family and all of us friends and all that knew Shannon...
I\'ve known Shannon since 7th grade,we met playing softball. Throughout the years we became teammates and great friends. I\'m going to miss warming up before games together & strategy talk, and being silly little girls sometimes. Her laughter will ring in my heart always.
Shannon has made a footprint on everyone\'s heart. "God has come down and taken a flower away."

“ Shannons smile is one of the things that stands out in my mind. I can\'t seem to get it out of my head. Always trying to do my silly faces for me and laughing so hard because she could not do it. Memories of concerts and other fun things that we all did. I hope that everyone starts appreciating life a little more than usual, because as we see, a loved one can be taken in a blink of an eye. Love, Megan.

“ Shannon's sister is my best friend. I met Shannon when she came to visit her sister Michele here in Olympia. I enjoyed meeting her because she was a very fun person to be around. Shannon, Mish and I spent time together hanging out at a dance at the community college where Mish and I worked. Mish is so proud of Shannon. She told me all about Shannon's volleyball days at Lakeland CC. My deepest sympathies go out to her entire family and her friends. I know that Shannon will be missed. For the brief time that I knew her - she made me smile - I will always remember that.
