“ I remember Sharon from our childhood. I always got excited when I heard Uncle Dutch and family were coming to visit. We saw each other about once a year. She was my first cousin. I regret that I have not seen her since our childhood. It has been 40 + years. I remember how pretty she was. I was surprised to see that she was 3 years older than me. I always assumed we were around the same age.

“ Sharon always treated me like I was one of her own kids. When Monica and I were roommates (broke room mates) I remember going over to the klimas and Sharon basically emptying out her freezer and pantry sending food home with us. Another favorite memory was Joe and Sharon's anniversary party. Seeing the love they had for each other and their children and watching them dance to 'Remember When' . I still cry to this day every time I hear that song picturing the two of them. Love you Klimas.

“ *Joe and family,
It was an honor visiting your wife and giving her the Sacraments of the Church, when Sharon was at Lake West. She was a very loving and courageous person who loved you all sooo very much. Sharon and yourselves will be remembered in all my Masses and prayers this weekend. May God's comfort be with you all.*

“ My favorite memories of Sharon involve us as teenagers dragging all the thrown out Christmas trees to the end of the street and Uncle Dutch listening on his scanner, warning us when the cops were coming. I also got my first car from her, an orange and black 70 camaro. She will always be in my heart with happy memories. I am so sorry for the pain the family has to endure. Sending love and prayers for comfort to you all. Love, Kathy
