“ To the MacAdam family: I only met Sheila a few times but during those times it was evident that she loved her kids and grandkids very much and was very nice & invited me into her home like family. May the Peace of the LORD be with your family during this time!

“ To the MacAdam family - My heart aches for each and every one of you - no words can take away the pain and sorrow that I know you are experiencing from the loss of Sheila, a very special, kind-hearted, giving and loving woman. The love she had for her children and grandchildren was boundless. This I know because some ten years ago my family became connected with yours and over these years I have watched my daughter's love grow each and every day for Sheila and your family. Sheila loved Ashley as one of her own and Ashley considered her as 'mom' - for this, I consider myself very blessed. My love and prayers for comfort and peace are with your family during this difficult time and your journey ahead.
