“ Dear Snook,
We all miss you very much. I remember the good times we had as kids at all the family holidays. They really were "good times". May you rest in peace. Say Hi to everyone up there with you.

“ To Shari, her mom and to the entire Smith family: I would like to express my deepest sympathy to you in your time of need. Sheldon was a good friend. I will never forget playing basketball with him at Washington Elementary School. I will also never forget the fun times that he, Duane , Mike and I had going to the Stables in Painesville, Ohio. Sheldon was also kind enough to come to my house and pick me up with his silver 442 Oldsmobile when we both attended Cleveland State University. He will be missed very much. May his memories provide you peace and happiness through the oncoming years.
