“ To the Family, I wish to convey my condolence to all the kids for the loss of your Mom.

We were very sorry to hear she was sick, but you know she is in a better place now and no longer hurting. She had much faith so you know she is in Heaven looking down with Grandma & Grandpa H, my Mom your Dad and they will be looking out for all of us.

God Bless you all.

“ Dear Family: I'm very sorry to hear about your mother's passing. I'm also sorry that I couldn't be there to share your sorrow. That's one of the problems with living out of state and away from most of my family. I feel bad that I did not get a chance to see all of you in September when I was in Cleveland. I will be visiting much more now that my parents are getting up in age. I hope to see everyone soon. Anyway, your mom was a wonderful woman, and I can honestly say that she always made me feel welcome whenever I came over to visit your family when we were younger. She always had a smile on her face and always seemed to be happy. I think the last time I saw your mom might have been in Florida at my grandmothers house. Once again, I am very sorry for your loss, and just wished I could have been there with you.

Even though I live far away, I still miss my family in Cleveland, and always will.

Love, Alfie

PS. I know my mom and dad are both sick with the flu, so I will extend their sympathy's also at this time.

God Bless Your Family.
