“ *I'm hoping the family/friends of Shirley Jackson will see this message. Shirley Ann Smith Elledge was a cousin and I believe she married Russell Jackson in Cleveland in 1985. If you could contact me by email or phone 847 548-2695. I would love to talk to you. I'm trying to verify if this is the right Shirley. If it is, her mother and daughter would like to get in touch with her. Her mother is 86 years old and still living. She hasn't heard from her daughter in many years and would like to find her. Thank you for any help.*
