“ *In 1991 Stan walked into one of my class's at Lakeland as a guest speaker. He spoke about real estate in general terms but when he started talking about his family and that his agents were apart of that family, I was hooked and never once regretted it. Stan and Linda welcomed me in and thru the years I cant count how many times I turned to them for things way outside of real estate. I was never let down. Both of my kids grew up in that office and loved it mainly because Stan always took them to Dairy Mart for candy (for them and himself). I pray you knew how many lives you touched here on earth Stan. You will be greatly missed by so many. Until we meet again, go sell St. Peter an new cloud. Love, Lisa, Brandon and Abby Jarc*
