“ *Dearest Friends,*

Since we have known you, we have known Grampa, too, making your loss of him in your lives, our loss as well. What a colorful and cheerful, sweet man heaven has gained! Christmas cards and open welcomes at his home made us feel his hugs even more sweetly! Parties and cookouts will now forever be missing an integral part. Thank God you can be reunited with him in heaven and we will all rejoice together then!

Praying peace to you all, extended Noga family.

Lovingly,

Daina and Don Westman
