“ Grandpa,You were the man we all looked up to and could always rely on. You loved each and every one of your grand kids so very much and were always so proud of us. My heart is aching to say goodbye, but because of your love and dedication to your family I have so many memories to hold in my heart. I only wish my babies could have had more time with you. I will always make sure they know all about you and how very wonderful you were. I love you Grandpa.
