“ God saw you getting tired, the cure was not to be
He wrapped you in His loving Arms, and whispered "Come to Me"
You suffered much in silence, your spirit did not bend
You faced your pain with courage, until the very end
You tried so hard to stay with us, your fight was not in vain
God took you to His loving Home and freed you from your pain
A golden heart stopped beating, two working hands at rest
God broke our hearts to prove to us, He only takes the best.

“ Sue and I go back all the to the late 80\'s. We lost touch for over 10 years and God put her back in my path over the last 5 or so years. Sue showed me so much over the last few months about fear, humility, and how to express oneself. I am so relieved she is no longer in pain and has been delivered home.
