“ I will miss Sue and her nursing encouragement as she saw me in the last 18 months struggling with cancer. She always had something positive to say about my health. I am glad she is at peace and pray her family can accept her passing as God's will.

“ I am so sorry to hear about Sue's demise. She was a strong woman in AA and I still always hear her saying to me htat I can finish school to be a nurse and a good one at that because of the caring, thoughtfulness for another human being. I learned that from her! God bless you Sue and hope your travel to heaven was smooth. She had seen the face of our Maker. Amen .

“ God please Bless and accept Sue in your Loving arms as a Sober child of our Father.
I pray for peace for all of the family and friends who are going to miss her.
May God grant you the strength to carry on in the the joy of her example and not in the sadness of her death. Let us honor Sue's memory not with sadness but living our life the way she lived her's. Like Sue let us get on with life by by staying sober, loving, living and giving to others.
With Sympathy and Love to all of Sue's family and friends, Love
