“ I'm deeply saddened by this news, she was such a genuinely sweet and loving person. I know that she's loving her new life and that most of us will see her again. I've been dealing with health issues of my own for a while now so as always I found out too late. God bless the family.

“ I am so saddened by your passing, but I take comfort in knowing you are no longer in pain or sick. I will keep your family in my prayers in hopes that they are able to cope and find peace in your loss, and keep the lessons you've taught them in their hearts. Rest in Peace my lovely friend!
