“ *I can just imagine the reunuion! your dad will be so happy to have her home! And can you just see grandma already baking up her biscotti's! Always remember that she will be there for all her family,the love she had for her family will carry on through all of you, the stories you share,the laughter and the tears are all part of the love you shared. There will be a mass said in her memory at the sister's of Notre Dame
With love and
