“ *Great, Great-Aunt Tennie Mae: May you enjoy all the possibilities of heaven that you've talked about for so long. Rejoice in seeing family and friends you've not seen in years, but more importantly, rejoice in your walking down the streets of gold with God at your side for eternity -- don't forget to play your harmonica for Him. I love you, will miss you, and have the definite knowledge that I'll see you again someday. Congratulations good and faithful servant!!!! Your great-great nephew, Lefty Ha! Ha!*
