“ The loss of a child is a pain that words cannot heal. Although I never met Terry, I've heard just how incredible he was. I pray that as the months and years pass, you'll find peace in the beautiful memories you created together and that he will live on in your heart.

“ Terry and his incredible enthusiasm & sense of irrepressible humor made every interaction a delight. He added to the art classes we put together as both an avid artist & a good listener. My time at Hilltop Growing Center was always brightened by Terry just being himself-!!
