To Cameron,

I lit this yellow candle for your daddy. May this color always remind you that his love is always like a ray of sunshine on your face..He will always be with you in your heart and walks with you always. Remember too, that yellow represents courage and your daddy had a lot of courage. Never forget that he loved you dearly. Love Nurse Naomi.

“ About five months ago I rode along with Tom to one of his infusion app.at UH.. I went to visit my sister n law, also there for brain cancer.. Actually went 4 times. Anyway when Tom was done we went to lunch , threw the under belly of UH.. I asked Tom how the hell do you know how to get to the lunch room this way? His comment was Pat , this (fat boy) , know how to get to food i,m here more then home... That dry sense of humor is what I will miss the most.. He was such a fighter he love both his kids , they gave him his strength to fight... His Mom his fighting strength, when at his lowest she pulled him back up, never giving up.. Dad was there in case she fell ., Rob, was his sidekick , keeping him positive.. Tom will be missed by so many, touched a lot of lives , will miss you my Steeler buddy, keep a eye on me ..
