“ Tommy was my brother in law. Tommy asked for so little but gave so much. He had a very generous heart. He loved his family and said that family is everything. I will miss our Casino and shooting trips and his beautiful smile. Tommy truly left an imprint in this world and in our hearts.

“ Tom was my older brother. He had a big generous heart and made friends wherever he went Loreen was his one true love of his life and together they poured their loving guidance and support on to Becky. one of Tom's greatest honors was to see (Dr. Rebecca MD.,PHD Neurosurgeon) achieve her goals. Tom was a positive compassion man behind his Marine influenced rough guy image. Some of his last words ere (" BE TOUGH-not bad) he love all of his family nearby an far away. His Military career was that of a true hero it was that material they write books and movies about that John Wayne and Sylvester Stallone would have loved to star in. He loved God, Family, and his Country.
