

Thomas Patrick Lowry

March 18, 1947 - March 5, 2025

Thomas Patrick Lowry, age 77, who left us on March 5, 2025. Born on March 18, 1947, in Erie, PA, Patrick was a beloved husband, father, grandfather, brother, uncle, and friend. He was the son of the late Thomas and Gwendolyn Lowry (nee Blanchard).

A proud U.S. Army Veteran who served during the Vietnam Era, Patrick exemplified unwavering dedication and service. He spent over three decades as a chiropractor in Kirtland, Ohio, where his commitment to health and wellness extended far beyond his practice. He was an active participant in local organizations, making a lasting impact in his community.

Patrick had a zest for life that was deeply rooted in his love for the outdoors. Blessed with an upbringing near the shores of Lake Erie, he reveled in sailing, hiking, and canoeing, finding peace and joy in nature's embrace. His adventurous spirit was only matched by his remarkable musical talent. Patrick was known for his ability to play various instruments by ear and could often be found enjoying the sounds of The Rolling Stones and The Beatles, filling his home with rhythm and passion.

An exceptional communicator, Patrick had an innate ability to see and understand multiple sides of a story. His thoughtful nature and genuine care for others endeared him to those around him, whether in personal

conversations or through his involvement in community issues.

He is survived by his loving wife of 54 years, Rita Lowry; two cherished daughters, Carrie Hoogendoorn (Kyle) and Karen Rowell (David); five grandchildren, Jack, Jillian, Emmy, Max, and Spencer; his beloved siblings, Susan Sass (Hans), the late Mary Kay Laskowski (Robert), and John Lowry (Mary Ann); and numerous nieces and nephews who will carry his memory forward.

As we remember Patrick, let us carry forth his spirit of love, kindness, and laughter in all that we do. He will be dearly missed but forever celebrated in our hearts.
