“ We met Tom in 1976 at Hillcrest Hospital. He and my husband immediately became best friends. He spent many evenings at our house. My husband recommended Tom for his next job at Mobile X Rays. Gradually, he got busy with his own family and we were raising our girls. We called him over the years, but he was busy and we drifted apart, but we never forgot Tom. We both loved him like a brother. We retired in 2010, and started looking for him, and we found this obituary. We were and are so sorry for your loss. We moved to Painesville in 2016. I put some boxes away and I am just getting around to emptying them out. I found two swords, from Toms Marine Days. He gave them to me to hang on my wall in my home. I told my husband, I would like to offer them to his children, so if, one of you read this message, please send me a message at [sherlynhat@aol.com](mailto:sherlynhat@aol.com)  
If you would like to meet us and have the swords.

“ " Dear Cindy, Evelyne, Thomas, Domanique and family, I am very sorry to hear of Toms passing. Tom and I first crossed paths in 1969 when we were serving in the Marines. We had no contact until about five years ago. Since then we have have shared many good natured jabs at each other over the Buckeyes and the Sooners. We really bonded when both our team LOST in their bowl games. I will not forget Tom, for in my eyes he was a great American because he was a good Marine! God bless you all and God bless Tom,

“ *Dear Aunt Marge, Cousins and Family,  
I was so sorry to hear about the sudden loss of our darling Tommy. Although we southern cousins didn\'t often have the chance to be the focus of his goofy stories or outrageous jokes Deo gracias! we loved how Tom\'s sweet spirit lifted us above our ordinary cares. Today, this old world feels pretty gloomy. Up in heaven, however, I think the angels and saints must be roaring with laughter -- begging for more -- as Tommy regales them with another funny story.  
God bless him!
