“ Beth, I am so sorry to hear of your Dad's passing. I was looking for the arrangements and only just found them today. My condolences to you and your family. I will remember his stories while at South Shore, waves and calling my daughter and myself "younins" in the "hood" . I'll miss that cantankerous ol fellow! I also loved when he he was in the yard putzing and I'd stop the car to harass him, he'd look up with that mean old look on face then get a big smile and harass me back!  
Hugs, Linda and Rhi  
Let me know if you all need anything.
