“ Dear Rob & Family,
Although we have not yet met, we have heard many wonderful things about you from Tom. You are very lucky to have such a wonderful brother, for we feel just as lucky to have had him as such a dear friend. He was one of our most favorite people! We were supposed to see him at Christmas time, but he got held up helping you. It is our greatest disappointment that we didn't reschedule our get-together sooner.

Tom will always remain in our hearts and in the hearts of our children. Our relationship was like family, and we are deeply saddened that we lost such a wonderful friend. Our hearts are broken.

Peace to you and we look forward to meeting you in person. May God comfort you and your family at this difficult time.
