“ I just wanted to tell all of you that you have been in our prayers with the lost of your dad and grandpa. I've been thinking about all the fond memories of Uncle Tommy, which there were many, but the most memorable ones that come to mind is the times he took Tommy Allen and I to see the Yankees and the Indians play and the 1963 All-Star game in Cleveland. I look back now as an adult and see that he took his time out of his schedule to spend with us knowing that he didn't have a lot of free time and that was special. I remember him stopping in Waycross and coming to one of my Little League baseball games. I will truly miss him. He was a wonderful uncle. Love, Phil Sutherin
