“ Dear Renee: Upon receiving the Notice from Steve, informing us of Tim's passing, my heart was break with much sadness. Though the miles and years have kept us apart, you can not erase memories, you and your family are a part of my memories and will always be considered a part of my family. I just spoke with Stephanie this week and was asking her how to contact you girls, because I could not locate you on face book and since not everyone can attend the reunion, I was hoping just to keep up through Cyber space. God has gained one more Angel, and I know your Daddy was there with that Smile and \" Hugs\" that he always gave that would make you feel so welcomed and calm. Tim would always make me feel welcomed and make conversation or join in on what we were doing , just would do his best to be sure you were having a good time and always made sure you felt included. He and Uncle Larry were a lot alike in many ways, Welcoming Spirits, caring souls, loving Fathers and Husbands all around family and business men and now they have received the highest honor of all..To Kneel before our Father In Heaven and Serve him for Eternity..I pray you find comfort in knowing that we all will be together someday in Eternity kneeling before our God and Thanking him. For now, allow his healing hand to help you through this difficult time and with God and your Family's Love and Support, just take one day at a time and Trust you have special Angels watching over you always. My thoughts and prayers are with all of you and I am here to help if needed. God Bless, Mike and Betty Hopper
