

## Timothy "Timmy" M. Gallagher Jr.

June 2, 1990 - May 21, 2005

Timmy, 14 years old, touched the hearts of those who knew him. He was a team member of the Lake Erie Baseball Land Sharks in G.L.B.L. and CYO Basketball for St. Mary Magdalene for 5 years. He was a percussionist of Willowick Middle & North High School Bands and member of the Royalview Singers. Timmy was also a member of the National Junior Honor Society, past treasurer and Triple Middle Challenge Team for 2 years. He received the 2004 principal's award at Willowick Middle School and top male student in his class. He was always a straight A student. He was an avid sports fan, he loved the Green Bay Packers, Cleveland Indians, Cavs and Browns, Ohio State Buckeyes and Duke Blue Devils and he was a sports memorabilia collector. He will be dearly missed. He is now our "Angel in the Outfield".

“ To Tim, Jean, Tommy & Elizabeth Gallagher on the sad loss of Timmy. We first met Timmy as a 3 month old baby. He liked to eat!! But he sat still long enough that you could get lots of cuddles.

The next time we came over to the USA he was a 3&#189; year old and boy could he hit a ball! He was already into sports in a big way and he was really good at all of them too! We called him the "human tornado" because he moved so fast!

I spent Thanksgiving with the family in 2001 and by that time Timmy was coming into his teens and I could not believe how grown up he was. Not only in appearance but in attitude and behaviour. He was a young gentleman. We are hearbroken for you all. Timmy will forever be in our thoughts. We feel very blessed to have known him.

“ Dear Tim, Jean, Tommy and Elizabeth,

*Thanks for sharing Timmy with all of us at Royalview and WWMS. I can still remember teasing him after I gave blood last year. He later didn't have enough change for a popcorn and I told him, "Timmy first you want my blood and now you want my money!" He just grinned that shy grin and held out his hand. I would give him anything I could to be back with us. What a GREAT kid!! You have done an excellent job with ALL your children and we will sorely miss our Timmy.*

“ Hi my name is kristen Farrell i am a friend of Nichole kotarski's so that would mean you don't know me. I have heard that Timmy was sick and ive asked my friends all to pray for him and his family. I recently found out about the horrible event that has happend and i just wanted to say that even though i do not know you I am very very sorry for your loss. From what i hear Timmy sounded like a great kid and im sure everyone was very proud of him to undergo all the pressure and stress at such a young age. Again I am truly sorry, I know there is nothing i can do or say to make it all better. I dont know if Im saying the right things now either. Some of my friends and I are keeping Timmy and his family in our prayers always.

Your loss is unfathomable compared to the incredible sorrow I feel. Words cannot express my sympathy. I am so grateful to have been part of Timmy's sweet time on earth. “ Dear Tim, Jean, Tommy, and Elizabeth, I'm thinking of Timmy and all of the times he helped me at WWMS, especially if I had a student who was upset and needed a "peer" to talk to. There is one student I'm thinking about who especially benefited from Timmy's kindness and understanding. Timmy always had a great "way" of making the students feel better. Timmy knew what kids liked to talk about. His sensitivity was amazing for a young man his age. I remember an upbeat Timmy coming to school with you, Tim, each morning and his cheery greeting every single day, no matter what. This was a good start to each of my school days! Sometimes, when we needed assistance in the office and Timmy was around, he would say, "Do you want me to find my dad?" On my last day at WWMS, it was you, Timmy, and Tommy who helped me load my truck, in the pouring rain, with memories to take with me to WMS. Timmy and his grandpa are together now. Know that they are well and taking care of each other. They will watch over all of you.

“ Love, peace, and condolences to the Gallagher Family, My thoughts and prayers are with all of you at this time. I can honestly say I feel the pain, and suffering you are feeling because I had a son, who died of cancer in 1986, at two years old, after fighting it for thirteen months. He was our first born, and we have been blest with three beautiful daughters since that awful event. Time eases all pain, but it never completely goes away. As I sit here typing this message, tears are streaming down my face, my heart is heavy, thinking about all the pain and suffering our families have endured due to this terrible illness. It is a good feeling to know that Timmy will always be in your heart. We have very special children now, Angels! I am at peace knowing that they are in a better place, for this world we live in, is very evil. When I recieved the phone call on Saturday, about Timmy\'s passing, I was very sad, but then happy because I thought how wonderful that Grandpa Gallagher went ahead and made a special place for Timmy in heaven. There is no pain, or suffering for them, just joy. That is very comforting! My youngest daughter, Kristin, was a classmate of Timmy\'s. Infact, she was in his PSR class the year he found the lump on his chest. Kristin always talked so highly of him, he really made an impression on her life. You should be very proud of his outstanding accomplishments he achieved in his short life. He has shown us all how to live, and die gracefully, and unconditionally. Know that my thoughts and prayers are with you at this time, and if ever you need a shoulder to cry on, or an ear to listen, I\'m available. Call me, 440-585-1042. I can help you get through this. I belong to the Beers\' family, Jim is my brother, so you know I am sincere in saying that I am available, we have that special knack for being there for others! Take care, be strong, and keep the faith- it will pull you through. Love, Lori Zielinski

“ Gallagher Family,

*Although I never personally met Timmy, my son has coached Tommy for the last 2 yrs in CYO basketball at SMM. Timmy would sit on the bench with both "Coach Nick's", and help out the team and Tommy whenever he could. Nick told me what a great family of kids you have, and we are so, so sorry for your loss. As I can't begin to imagine the pain you are in now, perhaps knowing that so many are praying for you and holding you in our hearts can in some small way help.*

I will never forget your late night phone calls and the times I was able to spend with you and Timmy at the hospital. You showed me how love can be so unconditional. Timmy taught me what courage meant. His love for his mom, you, Tommy and Elizabeth was overpowering and could be felt throughout the whole room no matter how sick he was. “ Dear Tim, Jean, Tommy and Elizabeth  
First I want to express our deepest sympathies to your family, I'll never forget that great big smile on Timmy's face last year when he got his first base hit. It is a memory I will never forget, as the ball went through the infield all of his teammates jumped off of the bench with so much excitement, it was an amazing feat considering all Timmy went through and I will cherish the memory forever. In every sense of the word Timmy is a true hero and a person we can all look up to for inspiration and now he is our "Angel in the Outfield".  
We will miss you but we will never forget you!!

“ Dear Tim, Jean, Tommy, & Elizabeth, My greatest memories or oh so many but I will always remember that little boy coming to my door and asking "Is Katelyn home" and the two would go out and play baseball, basketball or football in the yards. We had our own "Field of Dreams" for them in your front yard. I still see Timmy always just swinging a pretend bat if there wasn't a real one in his hand wherever he was; like he just hit that winning home run! We knew he was going to be "our neighborhood star" but most of all his smile who could brighten anyone's day. Never was he without it. How him and Katelyn would talk about finally going to the same school after all these years. He was going to play ball at North and so was she. I hurt for all of you so much but Erich and I are so very blessed that our children, especially Katelyn got to know what a real true friend is and will always be. They had something so very special. Remember, we are just a doorstep away. May God be forever by your sides! Diane & Erich Kinkopf

“ Dear Gallagher Family, Please accept my most sincere sympathy in the passing of your Timmy. I am the home instruction secretary for Willoughby-Eastake Schools and have heard such good things about Tim from school nurses, Mrs. Kovac and Mrs. Zaller, and from extended family member Carole Andrus.  
I have also used Don Andrus as a home instruction tutor. Please hold these thoughts that Tim is no longer suffering and you were so fortunate to have had him as a part of your family - even for a short period of time. God bless you all!!

“ Dear Tim and Family, I was fortunate enough to have had Tim as a student and an athlete his 7th grade year at Willowick Middle School. When I think of Timmy I can't help but smile! He was such a light in so many peoples lives. Tim was a wounderful young man with a positive outlook and a seemingly endless supply of smiles. Timmy fought the good fight and will forever live in all he came in contact with. I could never express my sympathy enough to his wonderful family! My heart aches and my prayers are for you in this tough time. God Bless and deepest sympathy, John, Deborah, Max and Sam Shafer

“ *Gallagher Family - I recently read something that Robert Louis Stevenson wrote & I thought of Timmy's courage. "Keep your fears to yourself, but share your courage with others." Those who knew Timmy, knew that he did exactly this. He was a very brave young man, who will be greatly missed. My thoughts are with you all. Love, Ann*

“ As a coach, I first liked Timmy for his sweet jumper from the corner. But as I got to know him, he became more than a player...he became my friend. After showing me courage, bravery and class the likes I've never seen before, he became my hero.

“ Dear Jean, Tim and family, There are no words to express how tragic this loss is to you, your family and so many friends. I knew Timmy only for a short time, but he demonstrated, regularly, what an unselfish, loving young man you both raised. He was so brave and amazing in so many ways. Thank you for sharing him with my family. We will truly miss him.
