“ *Tim always had a friendly smile on his face when I knew him. I haven't seen him in years, but that much could not have changed. I am truly sorry for his family and friends and the loss they will experience. God bless... Brenda Alexander*

“ We are so saddened and sorry to hear of the death of Tim, or as we knew him, Woody. I knew Tim when he was engaged to Julie Chandler because Julie's sister, Theresa and I were best friends back when we were in college and she was married to Tommy Milo. Tim was a handsome and funny guy, very kind and helpful, with a heart of gold. I remember sitting around outside singing and playing guitar with him and Teresa and Tommy at their sister's house in Stow.

I haven't see him in long time, but my niece Gina Restifo is good friends with Katie. I will keep you all in my prayers. My husband, Nick, also knew Woody from Euclid and Muldoon's.

Please know that your dad was a great guy, a wonderful friend, and a joy to be around. Our deepest sympathies to you and your whole family on his passing. We will be praying for you in the coming days for strength to get through this tough time.

Sincerely,

*Susie Maher Restifo & Nick Restifo*

“ Kevin, Cindi, and family - I am so sorry to hear about Tim\'s accident. I am thinking of you all and send my sympathies. I remember being in a typing class with Tim at EHS. Oh, did he give the teacher a run for his money. But that was Tim - fun loving and mischievous! I hope your memories help during this hard time. Take care. Lee
