“ Tony, I'll never forget our time at Greyhound, you brought such a pride to everyone and everything. I can remember in times of need calling you and stating how we needed to serve the passengers and purely from the care and kindness of your heart you would say, "I will do it." It was so calming and reassuring in times of chaos. Your heart was unmatched and I'll carry our friendship forever. Thank you for the many lives you have touched and the thousands of lives you moved safely to their destination. May you rest in peace in the ultimate destination, Heaven. God Bless. - John Grover
