“ Charlene,

I am so sad to learn about Tracy. I have so many memories of her as kids. She was my first real friend. We spent hours playing together in the neighborhood. I remember her bedroom so well... it was so cool. She also was a Donny Osmond fan just like me. I wish we stayed connected. I have been in Texas since i turned 16. My mother lives 10 minutes from me. She would love to talk to you. I know nothing that we say will ease the pain.. know that we care...

Love Kim
