“ *For Carole:*

It's been much too long since we've had a chance to talk....I was very sorry to hear about your mother's passing. I know how close your bond is with your parents, and I can't imagine how difficult this must be. My parents are both 87 years old and not in great health, but I'm fortunate to have them both...even though they're over 3 hours away, times like this make me appreciate them that much more. If there's anything that you need, please don't hesitate to reach out.
