“ I was so sorry to hear about Kristin's Dad passing. I went to Nanny school with Kristin and I too lost my Mom to Cancer, I know it's hard but your Dad is no longer suffering Kristin. It is so hard to lose a parent but I'm sure he would want you to remember all the good times. I wish your family all the best. Love, Sue Budner

“ To my "best" friend. "DAD", you were a very special person to me and I will always love you. You taught me everything I know in life today, but you just wouldn't teach me everything you know, now would you? We sure had a great time together hunting, fishing, golfing, bowling, and just laying around watching a ballgame together, even chatting on the phone we always had a laugh with mom always chiming in, in the background. I miss you so much. You'll always be with me on all my hunting and fishing adventures, so keep your ears open up there "tough guy" cause I'll be asking you for advice every now and then. I love you so much and really miss you!! Your son and pal,  
Wayne

“ *My Father-in-Law "Vic" was my best East Texas hunting buddy & my Canada fishing buddy ever, We all loved his music whenever he played while we were in Canada together, as we all gathered around to listen to him sing and play his accordian. I loved him very much and he will always be in my heart.*

“ *Please allow me to express the Bible\'s hope for the future. At John 5:28,29, Jesus spoke about the time when "all those in the memorial tombs will hear his voice and come out." Yes, the Bible shows that there will be a resurrection of the dead.*
