“ I was grestly saddened by the news of Vicky's passing. We knew each other through high school and then caught up again with each other on Facebook 2 years ago. She was a warm, compassionate, and caring soul and I know she will be greatly missedby family and friends.

“ Dear Ryan Family, I am so sorry for your loss, please accept my sincere condolences at this time. Something that I have found to be a great source of comfort are the thoughts expressed in the Bible at John 5:28,29 where we see that there is going to be a resurrection of those who have fallen asleep in death. Also at Revelation 21:4 we see that God is going to eliminate all of the causes for why we deal with sorrow, pain and even death itself. It is my sincere hope that these thoughts bring your family comfort at this time. Once again I am so sorry for your loss.
