“ Gram,
We miss you so much! I'm going to miss our talks we had. We took care of each other, and I'm going to miss you very much. I know you are out of pain, and probably very happy up there in Heaven now.

“ Vivian and I worked together at GAB from 1979 to 1992. She was always conscientious and dedicated. I have fond memories of those "good old days". My best wishes go out to her family in their time of loss.
