“ Wayne,
I'm going to miss you very much. There were so many memories that I hold in my heart. The dares that we put eachother up to makes me laugh every day, I will never forget them. It's going to be weird not seeing you at work but I know you have moved on to a better place. I'm going to miss you Wayne.

“ Wayne, I still can't believe that you are gone. When I walked into receiving I am so used to seeing you standing there, and always picking on me about what I did over the weekend. I remember when you would walk away, I would put tape on your chair and you would sit on. I would laugh so hard and you would go home and come back Monday telling me your wife found the tape on your butt. I always enjoyed talking to you when we were slow and always helping you out when there was a problem. I'll never forget how you always looked out for my sister and were always worried about her taking care of herself so she wouldn't have a low sugar attack. I'll never forget you Wayne! You were like a 2nd father to my sister and I and you will always be in my heart. I hope you are looking down from heaven and laughing at me. I miss you Wayne!!!! Jenny

“ Wayne, Thanks for being a good friend. Things will never be the same in receiving, at work. You always knew how to make everyone laugh. It made the day go by faster. It is strange not seeing you standing at as you would say your "command station" working hard as always, or when things were slow, you doing your number puzzles. I'll miss you always talking about what you were gonna cook, or the way you always had a different word for everything, like "the steps" for the ladder, or the "buggys" for the carts we use at work, or "pocketbooks" for the purses. I'm glad I got to know you and work with you for the past five years. I'll miss you, and you'll never be forgotten. Lisa

“ Shreak, I can not amagine Holiday Camplands without you. You and Suzanne were our first Holiday friends and you have grown into one of our best friends. You were so good to my children and they loved you so much as Tommy and I did also.
