“ *To the Family: My Husband and I would like to express our deepest sympathy for your loss. We have often found comfort from reflecting on God's word. Rev 21:3&4 states that God will soon do away with pain, suffering and death. Then what is stated at John 5:28,29 will take place. It says there is going to be a resurrection. During this time, we have the hope of seeing our loved ones again. These thoughts have brought comfort and hope to our family and we sincerely hope you will draw comfort from this message.*
