“ *I will truly miss Bill - but our memories will live in my heart forever. He taught me how to have fun and to live life on life's terms - no matter what. He is such an inspiration to me and hundreds - thousands - of others.*

*Thank you, Bill for being my friend. You never judged me and that, my friend, is unconditional. Rest peacefully and God Bless you and your family.*

“ *Good-Bye Bill for i already miss you, knowing i will never fill your presents again as i walk into a room and hear that thunderest laugh. But thank you for showing me how to live life, to enjoy myself and how to treat others. Thank you for all the jokes over the years, although today i hurt, i know i will laugh again because you showed me how. God Bless*

“ Good-bye my friend, we will surely miss you, your smile, your laugh, the dances, the Punderson's, your good naturedness, your love. The love you had for the fellowship and the people there was tremendous. We have truly lost a great man and example. God Bless your family as they along with so many others grieve your loss.
