Please know how we also share in your loss. We are grateful to have known Bill and everyday we come to eat at Flavors we are so very grateful for you our dear friend and wonderful waitress. “We have a lot of good people in our family and William was one of them. Was good to meet him in West Virginia during the Carbon Fuel Family reunions. You could say he "gave me the shirt off of his back" when I saw him wearing a shirt from one of his businesses, "Goble's Hotdogs" Love this shirt, and again, he literally took the shirt off during the reunion and gave it to me. I know his family misses him and I'm so sorry for your loss.
