“ It has been many years since I have seen Mr. Huntington, not since I was good friends with his daughter Lenore in high school. I lost my father several years ago and I just wanted to take a moment to say I was very sorry to hear of your father's passing. Losing a parent, no matter what our age, is always difficult. I will be thinking of you and your present grief, and my memories of times past, and hoping you will find moments that make you smile when you think of your father. Beverly Pinkney Dever
