“ *To the Mattingly Family: Bill was the electrician for our new Perry Christian Church building in Perry Ohio. Bill was a fine man, organized, and we came to appreciate his humor and experiences. He will be missed by our church community, missed as an elected official on North Perry Council and Perry Joint Fire District. We let him go home to God in his final rest with peace, love and fellowship. He will be missed and we want his family to know how much we appreciated the opportunity in getting to know and appreciate Bill. God Bless and blessings, Don Bartlett, Board Chair of the Perry Christian Church.*

“ My dearest friend Billy. I will never get to say this to you again, but I love you. The world seems a little bit different without your presence. I do know that I will never be the same. I used to laugh because you were a "close talker" now I understand that it was just love with you. I never met a more loving person. Your smile, wit and charisma will never be matched.

It is amazing how many things I want to say, I am just hoping that you know how I feel without having to say it. I will miss you deeply and even though your physical presence is missing, your memories will remain forever.

I love you and may peace find your heart, soul and mind.

P.S. give your mom a kiss for me. Be well my beloved friend and until we meet again, watch over your family and keep them safe.

Billy all I can say is I love you and miss you and thanks for the memories they will be cherished now and forever
