“ Judy and family...words cannot quite express our heartfelt sympathy to you with the loss of your father. Please know we are praying for you all in this difficult time and hope the many memories of your father will get you through the difficult days ahead. We are so blessed to have shared good times with your Dad. What a great memory for both your Dad and mine, after all these years of not seeing each other, Jenna and Trevor could bring them both together! "Our two Dads as buddies growing up"...what a neat coincidence!
