“ *Bill, Pops, even though I haven't been a part of the family for a while, I have always thought of you as my father in law. Part of my family. We had a lot of good times shared back in the day. I always loved the way your eyes would twinkle when you had a chuckle you were holding back, or a mischievous thought. I loved you then, and I always will. You can fly free now with Mom and Dennis. I will miss you.* 💕💕
